

How to Join the Minecraft Education Edition Community

Want to start join the Global Minecraft Community, but not sure where to start? Check out the resources available to you below!

If you are not already, become a Community Member by joining the Community Hub at educommunity.minecraft.net where you can connect on forums with members around the world and get support, and receive your Community Badge. We have forums for your country/region, around learning to play, and how to teach with Minecraft.

Come to a live event! We have community webinars and meetups regularly. [Check them out here](#) and sign up to be alerted for new events. Want to level up? Take our [online Minecraft Teacher Academy](#) to join the Certified Teacher Community, or [sign up for our free virtual cohorts](#).

Global Mentors support in many ways, through speaking at webinars, supporting teachers 1:1, moderating our community and running regional events. If you are a new Minecraft teacher, feel free to [book a free coaching session](#) with a M:EE Mentor in your region at aka.ms/mentormatch. Want to apply to BE a Mentor? Applications are judged quarterly [here](#).

Reach out to your team at
Microsoft for more
information on how to get
involved in the M:EE
community!
